MISSION STATEMENT

The mission of Chabad Hebrew School is to provide and promote the highest quality out of school Hebrew and Judaic education to a diverse community of Jewish children.

Our aim is to nurture and build the foundation of your child's Jewish identity through our interdisciplinary educational approach. The focus of our dedicated teachers is to inspire a twofold love; a love for learning and a love for Judaism, while fostering a feeling of familiarity within their heritage for each individual child.

A well-balanced Hebrew School education will develop in our students a commitment to using Jewish values as a guide to the decisions of life, community, and life-long learning and teaching

EPIC TALES OF OUR ANCESTORS

BEREISHIT:
Story of My Life

Experience the story of Bereishit, through stories, drama art and invaluable lessons that help shape our choices and personalities.

Children will enjoy art projects, STEM ten building, cooking projects, obstacle courses and games. Through these unique learning experiences, the Torah truly comes alive.

JewQ - International Torah Championship

Building on last year's success, CHS will be joining the JewQ International Torah Championship.

Students in grades 4 and up will have the opportunity to master the fundamentals of Jewish Knowledge and compete with students from all over the world.

It starts with a learning period with a few tests. A child that averages 70% across these 3 tests earns a surprise trip along with other Hebrew Schools in the Bay Area.

The 2 top scoring children from our school are invited to a Shabbat like no other in NYC in March 2020. Along with the other winners from around the world, your child will experience the trip of a lifetime to NYC!

Our Hebrew School, like many others, is changing the course of Hebrew reading with an innovative reading system. Based on the martial arts motivational philosophy of color-coded levels and testing, the Aleph Champion program provides our students with clear goals, motivation and a world of inspiration.

White Aleph: Master the first 18 letters of the Aleph Bet. Red
Red Aleph: Master all 32 letters of the Aleph Bet.
